

Hans Price Academy

Ready to Learn
High Expectations

www.hanspriceacademy.clf.uk

The school is increasingly the **school of choice** for local parents and carers because leaders have established a **culture of learning and high aspiration.**

Ofsted February 2018

Message from the Principal

Welcome to Hans Price Academy. This prospectus will give you a **flavour** of what we are about but we strongly **encourage** you to **visit us** and see us in action.

At Hans Price Academy we expect all students to be 'Ready to Learn' and all teachers to be 'Ready to Teach'. High expectations form the basis of these two aspects of Academy life. We expect staff and students alike to produce their very best, dress professionally, have impeccable time-keeping and ensure that the culture in classrooms and the wider academy is conducive to learning and free from distractions.

We believe that our students are our greatest asset, and we take pride in being part of their education both in the classroom and through our extra-curricular offer. In turn they take pride in their Academy, dress well and take their learning seriously. Our "Hans Price Values" underpin all that we do, with a particular focus on students making a positive contribution to their school community. In short, we strive for all students to leave Hans Price Academy as well-rounded individuals who have the qualifications needed to open doors to life changing opportunities.

In November 2023 Ofsted inspected the Academy and confirmed that we continue to be a "Good" school. They recognised that our high expectations of students go hand in hand with warm relationships and treating every student as an individual. It is on this basis that we will pursue even greater success for your children, where we aim to ensure that every student who attends Hans Price Academy leaves having fulfilled their potential.

The Academy has consistently secured excellent progress for our students over time. We continue to maintain our push to ensure that every student makes progress that is at least in line with their peers in every subject area.

We will provide a wide range of additional opportunities for your children including foreign visits, sports fixtures and reward trips.

Furthermore, there will be opportunities to engage in cultural and educational experiences both in Weston-super-Mare and further afield.

We are very privileged to work and learn in a fantastic new building, designed and equipped for the 21st Century. Inside the building there is a buzz of learning and the fabulous open spaces and expanses of glass create an atmosphere of togetherness.

At Hans Price Academy we have an unshakable belief that every child can achieve given the right support and challenge. "Achievement for all, regardless of background or starting point" is our mantra and our expectation and desire for them to "aim for excellence" in everything they do and "expect the very best from yourself" is understood and supported by students, families and school staff who consistently rise to the challenge. All of this, underpinned by a committed staff body, makes Hans Price Academy a place in which it is a privilege to both work and learn for every member of our community.

I am very grateful for the support we have received and will continue to receive from students, staff, parents, the Academy Council and the Cabot Learning Federation. I look forward to the continuing challenges of creating a truly exceptional educational experience for the families of Weston-super-Mare.

Adrian Esch
Principal

The school has **high expectations** for its pupils. These go hand in hand with **warm relationships.**

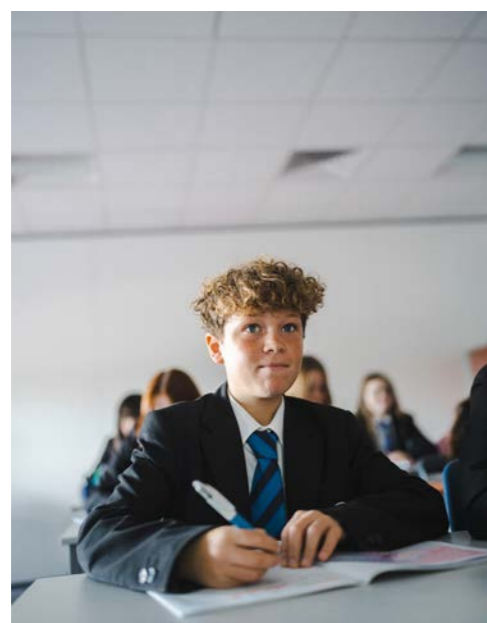

Ofsted 2023

Our Vision

At Hans Price Academy we **believe** that all students can **achieve** regardless of their start point. We believe that at the heart of our students' **learning experience** is the quality of what we deliver and we continually strive to provide **excellent opportunities** and a broad range of subjects and extra-curricular settings.

Fulfilment of individual potential is at the very heart of what we hope to achieve and development of students' wider character alongside high academic expectations is something that we feel passionately about.

“
The school's 'ready to learn' policy underpins its **unique culture**. It **supports pupils** to make the right choices. Pupils are regularly **rewarded** for demonstrating the school's values.
”
Ofsted 2023

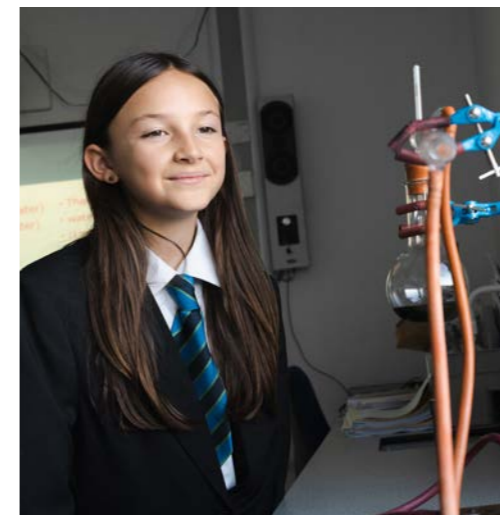

Our Aims

We will continue to develop the following characteristics:

- Self-belief
- High aspirations
- Academic excellence
- A challenging and evolving curriculum that is broad and balanced
- Strong discipline
- Outstanding attendance
- Competitive and collaborative opportunities in all areas of school life
- Active parental and community involvement
- Outstanding student support
- Innovative and flexible approaches to learning
- A commitment to professional and personal development opportunities
- A culture of acceptance and respect between all members of the school family and to instil that culture for life
