Dear Parents/Carers,

This is a particularly busy and costly time of the year. For some local families the extra heating bills and rising costs of living has meant they have needed support from the Weston Food Bank.

A nationwide network of foodbanks provides 3 days' worth of food, toiletries, cleaning products and fresh produce tailored to meet the needs of individual families in crisis. Food Bank staff also offer additional support of financial advice and signposting to other services, such as Citizen Advice Bureau if needed.

To support our local community in times of need we are collecting items for our annual donation. If you can spare any items for the charity, even just one tin of beans – please bring them into school from 2nd until the 13th of December 2024. Last year we collected over 1000 items, and we are hoping to match that this year for our local community.

Together we can all support each other and make a difference.

Yours sincerely,

PA ADA
