Dear Parents and Carers,

Re: School uniform policy change: Academy skirt

I am writing to inform you about a uniform change which will take effect from September 2025.

Uniform is a vital part of our school's identity; it brings a sense of belonging and is an outward expression of our 'Ready To Learn' values. It reinforces who we are as a community and allows our students to feel pride in their school.

Through listening to a range of stakeholders, including students, parents, and our Academy Council, we understand that accessibility to a school skirt which meets our Academy policy has been challenging.

Therefore, from September 2025, children can choose to wear from the following items

- Tailored trousers
- Tailored shorts
- **New for September: Academy branded skirt (See image overleaf)**

The Academy branded skirt will include a logo which will be displayed **below their blazer**. No other skirt will be accepted as part of the uniform policy. In line with our school expectations, students who arrive in the incorrect uniform will be asked to change into trousers from our uniform store.

This introduction will provide a clear and consistent expectation for all children who wish to wear a skirt and provide clarity for parents when purchasing uniform items for their children.

How to order

For those families who wish for their child to wear a skirt, an Academy skirt will be provided **free of charge** for September 2025. More details of how to order, along with opportunities on how to provide a voluntary donation, will be shared in due course.

Thank you for your continued support of the Academy.

Yours sincerely,

Adrian Esch
