24th March 2022

Dear Parent/Carers,

We are writing to invite you and your child to attend two workshops that we are hosting after school, at HPA, in conjunction with the Careers and Enterprise Company and three local colleges as part of a project to provide more support to Year 11 students to find an Apprenticeship and help parents find out more information as well.

What is the project?

The Careers and Enterprise Company and three local colleges in the South West have teamed up to provide these impartial workshops that will help you and your young person to:

- Find out more about how to secure an Apprenticeship
- Gain a first-hand insight from an Employer about what they look for in their Apprentices
- Talk to an Apprentice about their experiences
- Find out more about what makes a great application
- Understand the importance of building resilience and having a Plan B
- Know how you can support your young person with the process

The project will focus on students in Year 11 students and their parents so we encourage both you and your child to come along to both workshops. Refreshments will be supplied.

The two workshops will be held on the following dates and times and we recommend that you attend both workshops to get the full benefit of the programme:

Workshop 1: Wednesday 6th April 2022 – 5pm- 6.30pm

Workshop 2: Wednesday 27th April 2022 – 5pm- 6.30pm

If you are interested in taking part in these workshops, then please scan the QR code below using the camera on your mobile phone and fill out the sign-up form.

For more information or any questions, get in touch with Mr Hooper on carlo.hooper@clf.uk

Yours sincerely,

Mr C Hooper
