

Our Ref CHO / TIW

11th March 2022

Dear Parent / Carers,

We are writing to invite you and your young person(s) to come to 2 workshops that we are hosting after school, on school site, in conjunction with the Careers and Enterprise Company and 3 local colleges as part of a project to provide more support to Year 11 students to find an Apprenticeship and help parents find out more information.

What is the project?

The Careers and Enterprise Company and 3 local colleges in the southwest have teamed up to provide these impartial workshops that will help you and your young person to:

- Find out more about how to secure an Apprenticeship
- Gain a first-hand insight from an Employer about what they look for in their Apprentices
- Talk to an Apprentice about their experiences
- Find out more about what makes a great application
- Understand the importance of building resilience and having a plan B
- Know how you can support your young person with the process

The project will focus on students in Year 11 students and their parents so we encourage both you and your young person to come along to both workshops. Refreshments will be supplied.

The 2 workshops will be held on the following dates and times (ideally you and your young person(s) should attend both workshops to get the full benefit of the programme):

Workshop 1: Tuesday 15th March 2022 – 4.15pm- 6.00pm

Workshop 2: Wednesday 6th April 2022 – 5.30pm- 6.30pm

If you are interested in taking part in these workshops, please follow this link to sign up <https://forms.office.com/r/wQTte7fWZf>

For more information or any questions, get in touch with jackie.fielding@clf.uk

Yours Sincerely,

Mr Carlo Hooper
Raising Standards Leader for Year 11
