Dear Parent/Carer,

I would like to take the opportunity to remark on the success of Year 11's return to HPA this September. Students have made an excellent return to the Academy with determination to succeed in their final year. Period 7 sessions have been well utilised by our students making significant strides towards success this summer.

Please find below important information regarding the upcoming PPEs as well as information around the October half term sessions.

October PPEs

Year 11 will sit their Pre-Public Exams over a 4-week window commencing on Monday 14th October. The timetable has been designed to fall either side of the half term to mirror the summer GCSE series.

A copy of the timetable has been included within this pack and students will also receive a PPE planner to use to aid revision and planning. The planner will be used regularly in lessons, and we recommend engaging with this planner at home to support your child with a revision timetable that best suits them.

Students will take their exams in the same way as expected in the summer exam period and will include access arrangements if required.

This is an exciting window of opportunity, as these grades will be what students will use when applying for their chosen Post-16 courses.

Please see other documents attached to the email:

As always, if you have any queries regarding the Year 11 journey at Hans Price Academy, please do not hesitate to get in touch using sian.angell@clf.uk (preferred) or 01934 629307.

Yours sincerely,

Sian Angell
