16th June 2022

Dear Parent/Carer,

I am writing to inform you about **some adjustments to our Year 11 timetable on Friday 17th June**. I have also attached a reminder about our reduced timetable for next week, as well as other key dates.

We have been really impressed with the commitment of our Year 11 students throughout the exam season, but also understand that the longer exam season this year has been very tiring! With this in mind, we have adjusted the timetable on Friday 17th June to provide some wellbeing activities after our morning exams to reward them for their efforts. The students will be together on the school field, and since the weather forecast is showing very sunny conditions, please make sure that your child brings a reusable water bottle, a hat/cap and some sun cream.

Students will then be allowed to leave school at lunchtime or choose to stay and take part in their PE lesson. **Lunch will be available** as normal, between 12:45pm at 1:15pm. Students wishing to leave must have left site before the start of afternoon lessons at 1:20pm. Students must **sign out in reception**, for health and safety reasons. The PE department will be teaching a range of activities for the students that wish to stay in school for the afternoon session. If you would prefer your child to stay in school, please contact us via reception.

Please also note that Year 11 students must attend in **usual school uniform** until their final exam, as well as for leavers' assembly on Friday 24th June.

Any donations of PE kit at the end of the day would be most welcome (we are happy to wash it!), as would donations of any spare uniform you may have when your child has completed their last day at the Academy.

Thank you for your **continued support** during their exams and throughout their time at Hans Price Academy. I would like to take this opportunity to wish your child every success in the future. We look forward to celebrating the end of exams with them in just over a week's time.

Yours Sincerely

Mrs H. Jones
Interim Principal

Final housekeeping measures

Before your child can officially leave Hans Price Academy, they will need to do the following:

- Return any books to their subject teacher
- Return their locker key (A £2.50 charge will be payable if they have lost their key)
- Return all borrowed library books
- Pay any outstanding balance on the school canteen
- Complete any remaining BTEC assignment work

If you have school uniform in fairly good condition which your family is not planning to reuse (e.g. a blazer, school tie or PE kit), then the school would really appreciate these as donations to help other students who may need to borrow it.
